CORDING-STORDALSVOLL NUPTIALS

NUPTIALS (Cont.)

St. Luke's Anglican Church at Mayerthorpe was the scene of a pretty wedding at high noon on Monday, July second, when Margaret Elizabeth, only daughter of Mr. and Mrs. Stanley Gering of Blue Ridge, was united in marriage with Mr. Leif Albert Stordalsvoll of Pembina.

The Rev. Thurston, rector of St. Luke's, performed the nuptial ceremony. The altar bouquets were composed of white baby chrysanthemums and white carnations.

For her wedding the bride chose a cocktail length gown of pink crystallette, fashioned on princess lines, with matching jacket and accessories. Her bouquet was of pink rosebuds and white carnations. Her only ornament was the greens gift, a handsome necklace.

Mrs. Dudley Edwards attended the bride. She wore a white frock sprigged with cornflowers, and white accessories. She carried a colonial bouquet. Mr. David Gering, brother of the bride, was best man. Mrs. Simpson, St. Luke's organist, played the wedding music. The bride was given in marriage by her father.

The bride's mother, Mrs. Stanley Gering, was assisted in receiving her guests by the groom's mother, Mrs. Albert Stordalsvoll, at the reception held in the Parish Hall following the ceremony. The bride's table was centred by the four tiered wedding cake and floral decorations were in mauve, green and pink, with white streamers.

Mr. Thurston, when proposing the toast to the bride, paid tribute to her contribution to church work in Drayton Valley, Toronto, and elsewhere. The groom replied fittingly. The bride welcomed guests and thanked the ladies of St. Luke's W.A. who had helped with the preparations.

The Rev. Leslie Gerness, pastor of All Saints' at Drayton Valley, was present and offered best wishes in his own inimitable manner. Mrs. Leonard LaCasse, accompanied by Mrs. Simpson, entertained with a vocal solo.

Out of town guests included Mr. and Mrs. William Holmes, of Consort; Mrs. Wilde, of Spruce Grove; Mr. and Mrs. H.T. Deby, of Drayton Valley; and Mrs. Wischert, Mr. Mattsen, Mr. Grotte, Mr. and Mrs. Freeman Hill, all of Pembina.

After a West Coast honeymoon, Mr. and Mrs. Stordalsvoll will be at home to their friends on their farm at Pembina.

LINEMAN BURNED BY HIGH VOLTAGE.

Another case of near-electrocution, occurred in this area recently when William Hays, of Hay Construction Co., of Wetaskiwin, was severely burned by high voltage lines while engaged in stringing a new telephone line in Violet Grove.

The accident occurred about 3 p.m. on Thursday, June 28th. The linemen were engaged in stringing telephone lines and replacing old poles in Violet Grove and preparing to string a new line out to Lodgepole at the time of the accident.

Apparently Mr. Hays had lifted the wire from the old telephone pole to the new one when it came into contact with high voltage lines, carrying 22,000 volts. Calgary Power workmen were in the vicinity at the time of the accident and assisted in bringing the unconscious man down from the pole, where he was hanging suspended in his safety belt, and with others who were also present at the scene, administering artificial respiration to the badly burned man, until the doctor arrived.

LINEMAN BURNED, (cont. from front page)

Pembina Pipelines Co. were notified by radio-phone of the accident and called Dr. Brooks and the ambulance. Dr. Brooks then proceeded to the scene of the accident in a Calgary Power vehicle which had been rushed to Drayton Valley to pick him up.

Arriving on the scene Dr. Brooks continued to administer first aid until the arrival of the ambulance, and Mr. Hays was then removed to Drayton Valley Medical Centre for the administration of anti-shock treatment and treatment for the extensive burns covering the injured man's body.

After treatment in the Medical Centre, the badly burned man was removed by Drayton Valley Ambulance to the Royal Alexandra Hospital. Latest reports indicate that though very seriously burned, particularly in the hands, and across the back, Mr. Hays will recover.

Following the accident Inspectors Pellcock and Smalle of the Electrical Inspection Department of the Province of Alberta, were at the scene of the mishap to inspect all aspects of the accident.

EASTFORD NEWS.

BY: Inez Oscar.

The pupils of the Eastford School marked the end of the school year with a picnic including a ball game and a wiener roast. Mrs. Henkel, the teacher, reported that all pupils were promoted this year. She awarded two prizes, one to Anne Oscar, for the highest marks during the 1955-56 school year and one to Raymond Oscar for perfect attendance. Children are now enjoying the holiday fishing, swimming, etc. Some of the older boys have taken jobs for the summer and a group of girls are at camp at Lake Wabamun.

Mrs. Henkel has been in Edmonton visiting her brother Paul who is ill in hospital. We understand that he suffered a heart attack while playing baseball.

(FISH STORY OF THE WEEK): This fish story tops the one the Advertiser carried a few issues ago: Last week Mr. Devey caught a 14 lb. jack fish in the Pembina River at his farm.

Members of the Right-of-Way, Board of Arbitration, and Mr. Bishop, a representative of Cities Service Oil Co. inspected the well-site Eastford-Cities Service No. C5 on June 5th.

DOCTOR ARRIVES FROM IRELAND.

Dr. M. Kernehan arrived for duty in the Drayton Valley Medical Clinic, to assist Dr. Brooks in the medical practice in this area.

Dr. Kernehan came here from Queen's University Hospital in Belfast. He flew over from Ireland, after the completion of his medical and surgical commitments in that hospital, arriving in Edmonton June 30th., and in Drayton Valley July 2nd. He is unmarried.

The Medical Centre now has a registered nurse on during the daytime. Mrs. Brooks' washing basket served again for an emergency bassinet when Dr. Brooks was called to a trailer in Brinkerhoff yard to deliver a fine baby boy to Mrs. Gallant at 5 a.m. the morning of July 2nd.

RODEO NEWS.

BY: THE PUBLICITY COMMITTEE.

Do you know that there are only twenty-nine days until Rodeo Day? Have you given any thought to that entry for the big parade? No? Well, it is about time!

No entry will be too big and we like the little ones, too. One of these fancy floats with bathing beauties and stars and flags and white horses, etc., etc., takes a lot of work and a lot of cash, but sometimes a kid with a goat or a pair of dogs in a cart can steal the show.

We need lots of entries. Why not go down to Lloyds' Jewelry and register. We would like to know how many are intending to take part.

The corrals are looking along fine. At present everything points to a real bang-up rodeo.

HERE AND THERE: The long week-end just past saw Drayton Valley and Violet Grove areas picked clean of inhabitants, as everyone headed for their favorite camping spots. A few sturdy burghers remained, however, to carry on the rudimentary functions of life in this area.

The Town of Drayton Valley recently added tenders on a new and larger fire-fighting unit. Successful tender was submitted by King-Graves Co. It is expected that the company will make delivery of the completely equipped unit in about three months. Drayton Valley will then have two fire-engines, and the present one will also be kept as an auxiliary unit.
